Il presente corso rappresenta il primo, ampio capitolo dell'attività formativa del corso di laurea in Scienze della Comunicazione. Il corso ha lo scopo di fornire agli studenti le conoscenze e le competenze necessarie per affrontare lo studio delle discipline che costituiscono il nucleo fondamentale della Comunicazione. Il corso è articolato in tre moduli: 1) Fondamenti della Comunicazione; 2) Comunicazione e Società; 3) Comunicazione e Cultura. Il corso è tenuto da docenti con esperienza nel campo della Comunicazione e della Pedagogia.

that we can use as a measure of power will be, in essence, a single-value summary of the set of possible values.¹
