These government programs, in the context of private organizations, have been used in Sweden in the last decade and are being used increasingly. government departments in the United States are using them. In Sweden, the program offering various types of services to private citizens, often with government funds, has been used in various countries, including Sweden, in the last decade and is being used increasingly.

Здесь примечательно то обстоятельство, что дашнакская фракция Совета фактически подтверждала «контрреволюционность их товарищей в Национальном совете», но одновременно объясняла это тем, что «советские» дашнаки, в качестве представителей рабочих «стоят намного левее» своих партийных коллег из Национального совета и якобы ведут против них борьбу. Руководители фракции Совета, бесспорно, поддерживали связь с Армянским национальным советами действовали под его руководством.
