MASSACRE OF MOSLEMS BY ARMENIANS.

From the Persian Foreign Office

To Sir P.Cox.

October 21st 1919.

No doubt the British Legation is informed of the recent events at Erivan, Nakhichevan, Kars and on the whole border of Armenia, atrocities committed by Armenians on the Moslems in those parts, by massacre and plunder.

Families of the Moslems have been scattered, innocent men and children have been massacred, women violated, properties ~~хищены~~ plundered and villages destroyed without any provocation.
